

We can help defray the rising cost of building a new home.

The costs of building a new home are on the rise. That's why we want to make it easier for you to save some money.

The Concrete Industry Advancement and Market Recovery Program will give you **\$1,000** just for using a local Union Ready-Mix Supplier.

\$1000 that can be used to offset rising materials costs, closing costs or anything else you want.

And the best part is, IT'S EASY.

WHERE DO I SIGN-UP?

For questions regarding the Concrete Industry Advancement and Market Recovery Program, or to request the necessary forms, call:

Building a Home?

We want to give you

\$1,000

**Home-Owners, Contractors
and Sub-Contractors
can all take advantage of**

**The
Concrete Industry
Advancement and
Market Recovery Program**

WHAT IS THIS?

The **Concrete Industry Advancement and Market Recovery Program** will give you **\$1000** for hiring a **local Union Ready-Mix Supplier** for all of the concrete work on your home.

Contractors, sub-contractors and home-owners are all eligible.

It's as simple as that.

HOW DOES IT WORK?

When you begin construction on a new home in Sangamon County, hire a **local Union Ready-Mix Supplier** for your concrete work. Then call the **Concrete Industry Advancement and Market Recovery Program (217.522.0014)** to obtain a **Funding Request, a Contractor Agreement and a Work Progress Certification Agreement.**

Once the entire concrete project is completed and the forms are filled-out and returned, we will hand you a check.

The first thirty participants to take advantage of this offer will receive **\$1000**, all others after that will receive **\$700**.
