

In Nuclear Decontamination and Demolition: What Kind of Contractors Use The Laborers?

ONLY THE BEST

They are contractors at the very top of the industry. Contractors who know that when labor and management work together, everyone wins. Contractors who know that the solution to the shortage of skilled labor is training, and that the Laborers' International Union of North America (LIUNA) offers the best training around.

LIUNA and its signatory contractors are ready for nuclear decommissioning with:

**A Workforce Trained In Nuclear
Decontamination and Demolition
The Safest, Hardest Working People In the
Industry
Training and Safety Programs Tailored To
Specific Facilities**

LIUNA and Its Signatory Contractors Get the Job Done ***RIGHT.***
