Minnesota LECET

LECET Purchases “Featherlite” Promotional Trailer

As part of Member-Contractor outreach, Minnesota LECET has purchased a 10’ pull behind enclosed trailer for promoting Union Construction, Safety Outreach and more starting in 2009. A graphic lettering package is being finalized and the trailer will be colorful and attention getting, with the LECET Blue and Yellow colors. A strategic plan has been formulated and will be finalized in the next few weeks. The trailer will be equipped with some basic safety equipment (hard hats, goggles, ear protection) and some serving equipment to host lunch meetings, Safety Tool Box talk meetings, etc.

LECET Enrolls in Bid Clerk Project Alert Website

In order to help track more private construction opportunities in the State of Minnesota, LECET has purchased a one year agreement to utilize the Bid Clerk project system. The site address is www.bidclerk.com. LECET will periodically issue Project Alerts to all locals on private construction work in their area. Bid alerts include timing, updates, contractors bidding (if shown), project description and more. The service appears to be used pretty extensively by many contractors, both signatory and non.

What’s Up Minnesota LECET?

- The LECET Safety Driven Annual Award, for the 2008 Calendar year will take place on Feb. 2, 2009. One Laborer will be selected for a nice 42” flatscreen HDTV. 2008 Fourth Quarter Awards will also take place.
- LECET will participate in AGC Safety Days in Duluth (Feb. 10) and Minneapolis (March 5).
- 2009 Conex Minnesota Show was cancelled by the promoters of the event.
- The CTTS is going to have new features in 2009. LECET is looking at the possibility of hosting a class, once these changes are in place.
- LECET has set a date for the Contractor App. BBQ/ Safety Driven day and it will be Aug. 21, 2009 at the LTC.
- The 2009 LECET Safety Driven Golf Classic at Keller Golf Course is going to be July 14, 2009 – 8:00 AM Tee Time.
- **LECET** is developing a Union Contractor promotional brochure to promote Union Contractors, specialty contractors to Contractors, Owners, etc.
